NM Interstate Stream Commission

AN ACT

RELATING TO WATER; AUTHORIZING THE INTERSTATE STREAM COMMISSION TO FUND REGIONAL WATER PLANNING EFFORTS, APPROPRIATE UNAPPROPRIATED WATER AND PURCHASE WATER RIGHTS; MAKING AN APPROPRIATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. LEGISLATIVE FINDINGS--STATE APPROPRIATION OF UN-
APPROPRIATED WATER.--Based upon the findings and recommendations of
the report from New Mexico state university and the university of
New Mexico on state appropriation of unappropriated water, the
legislature finds that:

A. the future water needs of New Mexico can best be met by allowing each region of the state to plan for its water future;

B. the state can assist the regions in planning future water use by implementing a state appropriation program to ensure an adequate supply of water for each region, as reflected in each region's water use plan; and

C. the interstate stream commission is the appropriate agency to implement such a program.

Section 2. INTERSTATE STREAM COMMISSION--GROUNDWATER APPROPRIATION--WATER RIGHTS PURCHASE--WATER PLANNING FUNDING.--

A. The interstate stream commission is authorized to appropriate groundwater or purchase water rights on behalf of any of the various regions of the state.

B. Nothing in this section shall be construed as per-

House Bill 337, aa
Approved April 8, 1987

NM ISC EXHIBIT

9

1 mitting the condemnation of water rights or as determining, abridg-
 2 ing or affecting in any way the water rights of Indian tribes.

3 C. The interstate stream commission is authorized to make
 4 grants or loans of funds for the purpose of regional water planning.
 5 Prior to approval of any proposal by a region for planning funds
 6 under this section, the commission shall develop criteria for evalu-
 7 ating such proposals. These criteria at a minimum shall provide
 8 for:

9 (1) identification of the region requesting planning
 10 funds and why it is hydrologically and politically an appropriate
 11 applicant;

12 (2) use of an appropriate planning process including
 13 opportunities for participation by those Indian tribes located
 14 within the various regions of the state;

15 (3) reasonable proposed costs and time tables for
 16 completion of the planning process;

17 (4) appropriate provisions for notice, review and
 18 comment where applicable;

19 (5) adequate review of potential conflict with laws
 20 relating to impact on existing water rights;

21 (6) adequate review of water conservation and the
 22 effect on the public welfare; and

23 (7) identification of sources other than the inter-
 24 state stream commission for funding of the proposed regional plan-
 25 ning process.

1 D. A water planning region eligible for funding under
 2 this section is an area within the state that contains sufficient
 3 hydrological and political interests in common to make water plan-
 4 ning feasible. The state as a whole shall not be considered a water
 5 planning region for purposes of this section.

6 E. No entity shall be made a part of a proposal for plan-
 7 ning funds under this section without its consent.

8 F. No funds shall be granted under this act to any party
 9 or parties that are not within a water planning region. Whether a
 10 proposal for funding falls within a water planning region shall be
 11 determined on a case by case basis, the interstate stream commis-
 12 sion after consultation with the state engineer and consideration of
 13 the following:

14 (1) whether the source of water and the potential
 15 place of use of the water are located within the same hydrologic
 16 basin; and

17 (2) if there is more than one party and the parties
 18 are requesting funds on a joint basis, whether the parties have
 19 demonstrated political and economic interests in common by entering
 20 into a binding intergovernmental agreement for carrying out the
 21 planning process.

22 Section 3. APPROPRIATION.--One hundred fifty thousand dollars
 23 (\$150,000) is appropriated from the general fund to the interstate
 24 stream commission for expenditure in the seventy-sixth fiscal year
 25 to carry out the provisions of this act. Any unexpended or unencum-

bered balance remaining at the end of the seventy-seventh fiscal
year shall revert to the general fund.

CHAPTER 183

AN ACT

RELATING TO WARRANTS; PROVIDING A PENALTY FOR WRONGFUL DRAWING OR
PAYMENT OF WARRANT; REPEALING AND ENACTING A CERTAIN SECTION OF THE
NMSA 1978.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. Section 8-6-7 NMSA 1978 (being Laws 1891, Chapter
94, Section 10, as amended) is repealed and a new Section 8-6-7 NMSA
1978 is enacted to read:

"8-6-7. WRONGFUL DRAWING OR PAYMENT OF WARRANT BY SECRETARY OR
TREASURER--PENALTY.-- 8-6-7

A. If the secretary of finance and administration draws
any warrant on the state treasurer when he knows or with the use of
available accounting information should reasonably know there is an
insufficient unexpended and unencumbered balance available for the
purpose for which the warrant is drawn, he shall be in violation of
this section.

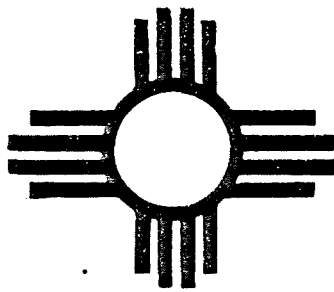

B. If the state treasurer pays any warrant when he knows
or, with the use of available accounting information should reason-
ably know there are insufficient funds available in the treasury for
the purpose to pay the warrant, he shall be in violation of this
section.

C. A violation of this section shall be punishable by a
fine of not more than one thousand dollars (\$1,000) or by impris-
onment for not more than one year, or by both such fine and

1 mitting the condemnation of water rights or as determining, abridg-
2 ing or affecting in any way the water rights of Indian tribes.

3 C. The interstate stream commission is authorized to make
4 grants or loans of funds for the purpose of regional water planning.
5 Prior to approval of any proposal by a region for planning funds
6 under this section, the commission shall develop criteria for evalu-
7 ating such proposals. These criteria at a minimum shall provide
8 for:

9 (1) identification of the region requesting planning
10 funds and why it is hydrologically and politically an appropriate
11 applicant;

12 (2) use of an appropriate planning process including
13 opportunities for participation by those Indian tribes located
14 within the various regions of the state;

15 (3) reasonable proposed costs and time tables for
16 completion of the planning process;

17 (4) appropriate provisions for notice, review and
18 comment where applicable;

19 (5) adequate review of potential conflict with laws
20 relating to impact on existing water rights;

21 (6) adequate review of water conservation and the
22 effect on the public welfare; and

23 (7) identification of sources other than the inter-
24 state stream commission for funding of the proposed regional plan-
25 ning process.

1 D. A water planning region eligible for funding under
2 this section is an area within the state that contains sufficient
3 hydrological and political interests in common to make water plan-
4 ning feasible. The state as a whole shall not be considered a water
5 planning region for purposes of this section.

6 E. No entity shall be made a part of a proposal for plan-
7 ning funds under this section without its consent.

8 F. No funds shall be granted under this act to any party
9 or parties that are not within a water planning region. Whether a
10 proposal for funding falls within a water planning region shall be
11 determined on a case by case basis by the interstate stream commis-
12 sion after consultation with the state engineer and consideration of
13 the following:

14 (1) whether the source of water and the potential
15 place of use of the water are located within the same hydrologic
16 basin; and

17 (2) if there is more than one party and the parties
18 are requesting funds on a joint basis, whether the parties have
19 demonstrated political and economic interests in common by entering
20 into a binding intergovernmental agreement for carrying out the
21 planning process.

22 Section 3. APPROPRIATION.--One hundred fifty thousand dollars
23 (\$150,000) is appropriated from the general fund to the interstate
24 stream commission for expenditure in the seventy-sixth fiscal year
25 to carry out the provisions of this act. Any unexpended or unencum-

AN ACT

RELATING TO WATER; AUTHORIZING THE INTERSTATE STREAM COMMISSION TO FUND
REGIONAL WATER PLANNING EFFORTS, APPROPRIATE UNAPPROPRIATED WATER AND
PURCHASE WATER RIGHTS; MAKING AN APPROPRIATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. LEGISLATIVE FINDINGS--STATE APPROPRIATION OF UNAPPRO-
PRIATED WATER.--Based upon the findings and recommendations of the
report from New Mexico state university and the university of New
Mexico on state appropriation of unappropriated water, the legislature
finds that:

A. the future water needs of New Mexico can best be met by
allowing each region of the state to plan for its water future;

B. the state can assist the regions in planning future water
use by implementing a state appropriation program to ensure an adequate
supply of water for each region, as reflected in each region's water

1 use plan; and

2 C. the interstate stream commission is the appropriate
3 agency to implement such a program.

4 Section 2. INTERSTATE STREAM COMMISSION--GROUNDWATER APPRO-
5 PRIATION--WATER RIGHTS PURCHASE--WATER PLANNING FUNDING.--

6 A. The interstate stream commission is authorized to appro-
7 priate groundwater or purchase water rights on behalf of any of the
8 various regions of the state.

9 B. The interstate stream commission is authorized to make
10 grants or loans of funds for the purpose of regional water planning.
11 Prior to approval of any proposal by a region for planning funds under
12 this section, the commission shall develop criteria for evaluating such
13 proposals. These criteria at a minimum shall provide for:

14 (1) identification of the region requesting planning
15 funds and why it is hydrologically and politically an appropriate ap-
16 plicant;

17 (2) use of an appropriate planning process;

18 (3) reasonable proposed costs and time tables for com-
19 pletion of the planning process;

20 (4) appropriate provisions for notice, review and com-
21 ment where applicable;

22 (5) adequate review of potential conflict with laws
23 relating to impact on existing water rights;

24 (6) adequate review of water conservation and the
25 effect on the public welfare; and

1 (7) identification of sources other than the interstate
2 stream commission for funding of the proposed regional planning pro-
3 cess.

4 Section 3. APPROPRIATION.--Five hundred fifty thousand dollars
5 (\$550,000) is appropriated from the general fund to the interstate
6 stream commission for expenditure in the seventy-sixth and seventy-
7 seventh fiscal years to carry out the provisions of this act. Any un-
8 expended or unencumbered balance remaining at the end of the seventy-
9 seventh fiscal year shall revert to the general fund.

THIRTY-EIGHTH LEGISLATURE
FIRST SESSION

MAR 10 1987

March 9, 1987

Mr. Speaker:

Your AGRICULTURE COMMITTEE, to whom has been referred

HOUSE BILL 337

has had it under consideration and reports same with recommendation that it DO PASS, amended as follows:

1. On page 1, line 11, the word "AUTHORZING" should be corrected to read "AUTHORIZING".

2. On page 2, between lines 8 and 9, insert the following new subsection to read:

"B. Nothing in this section shall be construed as permitting the condemnation of water rights or as determining, abridging or affecting in any way the water rights of Indian tribes."

3. Reletter the succeeding subsection accordingly.

4. On page 2, line 17, after the word "process" insert the words "including opportunities for participation by those Indian tribes located within the various regions of the state."

5. On page 3, between lines 3 and 4, insert the following new subsections:

"D. A water planning region eligible for funding under this section is an area within the state that contains sufficient hydrological and political interests in common to make water planning feasible. The state as a whole shall not be considered a water planning region for purposes of this section.

E. No entity shall be made a part of a proposal for planning funds under this section without its consent.

State of New Mexico
House of Representatives

THIRTY-EIGHTH LEGISLATURE
FIRST SESSION

March 9, 1987

Page 2

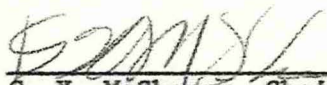

F. No funds shall be granted under this act to any party or parties that are not within a water planning region. Whether a proposal for funding falls within a water planning region shall be determined on a case by case basis by the interstate stream commission after consultation with the state engineer based on the following criteria:

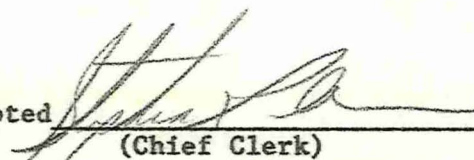

(1) whether the source of water and the potential place of use of the water may be located within the same hydrologic basin;

(2) if there is more than one party and the parties are requesting funds on a joint basis, whether the parties have demonstrated political and economic interests in common by entering into binding intergovernmental agreements for carrying out the planning process.",

and thence referred to the HOUSE APPROPRIATIONS AND FINANCE COMMITTEE.

Respectfully submitted,

G. X. McSherry, Chairman
